the matter. The detailed report of the Sub Division officer is for perusal. He states that he took charge of the building, live stock and other articles which Mr. Stephen handed over to him as in the list appended.

4(f) It is stated that against the initial capital expenditure of Rs 10,450 sanctioned by Govt, the Y. M. C. A has spent on the whole a sum of Rs 10,420-7-3, that no distinction has been made between capital and recurring expenditure and that the whole grant of Rs 10,000 given by Govt was treated as one and the savings under one head utilised for meeting the excesses under other items. The above procedure, it is reported by Mr Stephen was adopted with the oral permission of the then Development Secretary.

4(g) As regards the expenditure under (1) Barcycle and pump (2) Fencing Compound (3) Repairs and (4) Electric wiring, the amounts actually spent could not be checked, as the vouchers and bills are reported to have been held up at Calcutta. The buildings were also got repaired without preparing estimates. It will be seen from the above that proper accounts

GOVT OF MYSORE

Dear Mr. Anantharaman,

I am writing in continuation of my conversation with you on Saturday. As requested by you, I am writing unofficially to place before you the decision of the Advisory Committee of the Rural Centre at Dodballapur. This recommendation, of course, must go to Mr. J.S. Aiman, our General Secretary, who will refer the matter to our National Council Executive Committee, but inasmuch as the time is short and as you requested that I write at once, I enclose the copy of the minute of the meeting of our Committee. I would be very glad if you could kindly let me know the attitude of your Government. I can then advise Mr. Aiman and our National Council Executive Committee may take such action as is necessary. My address for the next ten days will be care of the General Secretary, Y.M.C.A., Alexandra Road, Secunderabad, Deccan.

Very sincerely yours,

S. J. McClelland
Associate General Secy.

1) The Advisory Committee of the Y.M.C.A. Rural Centre at Dodballapur at a meeting on August 10th, 1939, considered the Government Order No.L.20498-501/V.P. 27-38-27, dated 30th June 1939 and reading: "Government are pleased to sanction a grant of Rs. 2,000 per annum to the National Council of the Young Men's Christian Association for running the Rural Reconstruction Centre at Dodballapur for a period of two years with effect from the date of the expiry of the period of five years referred to in the Government Order read above."

2) The Committee after consideration of the issues involved were of opinion that the National Council should make it clear to the Government of Mysore that it is impossible to carry on the work with a reduced grant but that a) if the Government can continue the grant as at present for a period of not less than three years the Committee would recommend that the National Council should endeavour to continue the work on the present lines with such improvement and modifications as may be suggested by Government and mutually agreed upon. As b) an alternative if the Government wish to take over and run the Centre, the Advisory Committee would recommend that the National Council should loan the services of Mr. Stephen for a period of years if the Government so desired.

Sir,

Subject: Y.M.C.A. Rural Reconstruction Centre at Dodballapur.

1000....

I wish to acknowledge receipt of your letter of August 30th regarding the Y.M.C.A. Rural Reconstruction Centre at Dodballapur and in which you state that the Government regret their inability to reconsider the orders passed in regard to the reduction of the annual grant to the Centre to Rs.2,000/- and that if the Y.M.C.A. feel unable to continue the Centre with a reduced grant the Government would be glad to take over the management of the Centre and have the services of Mr. T. Stephen.

I visited Dodballapur on September 8th and had opportunity to consult Mr. Stephen. Later, in Bangalore, I had opportunity to discuss the question with Mr. K.V. Anantaraman, the Second Member of Council. As time is short and the Y.M.C.A. will, under the terms of the agreement, naturally discontinue its connection with the Dodballapur Centre from September 30th, I am writing to inform you that the National Council of the Y.M.C.A. finds it impossible to continue the work at the Centre with a reduced grant and that our Council, under the alternative proposal that Government take over the management of the Centre, would agree to loan the services of Mr. Stephen as requested in your communication dated the 30th August. I am referring this matter to Mr. J.S. Aiman, General Secretary of our National Council who will write to you officially but as there is little time until the 30th September, I am writing at once as I promised Mr. K.V. Anantharaman to place the views of our National Council before you.

We understand that you request Mr. Stephen's services in the first instance for one year. We assume that provision will be made by the Government Committee in charge of the Centre for such travel allowances as the nature of his work may require and that office and clerical assistance will be provided. There is one point to which I wish to draw your attention. Heretofore we have provided in Mr. Stephen's budget for the payment of his Provident Fund. Under the rules of the Provident Fund the participant and the employing body each pay one anna in the rupee, that is, on the basis of Mr. Stephen's salary of Rs.200/- per month, the employing body has also paid Rs.12-8-0 per month. We wish to ask the Government of Mysore to make provision within their budget for the payment of this amount also. Mr. Stephen has been asked to be prepared to turn over the Centre to the Government of Mysore from the 1st of October.

I have the honour to be,
Sir,
Your most obedient servant,

Dear Sir,

As you are aware, the five-year term of the Y. M. C. A. at Dodballapur expires on the evening of the 30th September 1939. Acting, therefore, under instructions received from the National Council of the Y. M. C. A. at Calcutta, I have notified the assistants and menial servants of the Dodballapur Y. M. C. A. to the effect that their services will not be required by the Y. M. C. A. from the morning of Sunday the 1st of October 1939 when the Mysore Government is expected to take over the entire management of the Centre at Dodballapur.

I enclose herewith a statement showing the names of the various assistants and menial servants now serving on the staff of the Dodballapur Y.M.C.A.Rural Development Centre and the salaries they are now drawing. I shall be grateful if you will kindly let me know whether the Government are contemplating the appointment of an entirely new staff for the work at Dodballapur ; if not, may I suggest that the present staff be permitted to continue their work, on the understanding that they will be paid by the Government the salaries they are at present drawing from the Y. M. C. A.?

Their experience in the various aspects of work connected with the work of the Centre, needless to say, will go a long way to help the Centre to do quick and effective work in the years to come.

As no instructions have yet been received from the Government in the matter of the assistants and the menial servants ~~that ought~~ to be employed at the Dodballapur Centre on 1-10-1939 and as we have barely four days before us for making the necessary appointments, I fear I will be left without the services of ~~a~~many assistants ~~and~~ or servants on 1-10-1939; and, I am afraid, it might result in a temporary dislocation of work both at the Centre and in the neighbouring villages. I shall, therefore, be very grateful if you will be so good as to quickly issue 1000 necessary instructions in the matter so that I may know definitely who exactly are going to be the assistants and menial servants of the Centre from the 1st of October 1939.

Trusting you will give this matter your immediate attention and requesting the favour of a reply before the 30th of this month,

Yours sincerely,

Y. M. C. A.
